HOW BLOOMINGS CAN HELP YOU?

Bloomings was founded in January of 2000 in Sarasota, Florida. What began as a two man operation has grown substantially to over 140 current employees. Bloomings has also experienced significant growth with the expansion of locations in Venice and Bradenton.

MISSION STATEMENT

Bloomings Landscape and Turf Management is dedicated to providing our clients with ground-breaking technology, high quality products and exceptional customer service. We are highly committed to cultivating long-term relationships with our clientele through our unique method of providing a team approach to aesthetically enhance your landscape management. We are committed to investing in our employees by providing a positive goal-oriented work environment where individual and team success is achieved.

SERVICES UNIQUE TO BLOOMINGS

TURF GUARANTEE.

Bloomings offers a **100%** turf guarantee. No excuses.

ALL GMs POSSESS TURF MANAGEMENT DEGREES.

Their education, combined with work experience, provides Bloomings' clientele the most horticulturally advanced pest control and fertilizer programs the industry has to offer.

FERTILIZATION AND PESTICIDES.

Bloomings is a state certified fertilization and pesticide contractor. All fertilization and pesticide applicators are trained, certified and licensed to county specifications.

HAND PRUNING OF FLOWERING SHRUBS & PLANTS.

Bloomings provides clientele with proper horticultural approaches to their landscape, thus providing a higher level of aesthetic value to your community.

USE ONLY WALK BEHIND MOWERS.

While slower and smaller this equipment provides Bloomings' clientele a more efficient, crisp cut.

IRRIGATION DIVISION.

Bloomings is a fully licensed contractor employing our own in-house staff.

SPECIFICALLY DESIGNED BLOOMINGS MULCH.

This unique mulch's color lasts 35% longer than standard mulch and is also environmentally friendly.

MULTI-YEAR CONTRACT AVAILABLE.

LONG TERM GUARANTEED PRICING.

Bloomings offers extended price guarantees during the term of your contract.

CUSTOMER SERVICE.

Bloomings employs customer service representatives specifically assigned to homeowners in order to assist in any concerns.

SITE - SPECIFIC FERTILIZER PROGRAMS.

Bloomings builds your fertilizer program based on monthly and quarterly soil and tissue samples. This program maximizes your turfgrass' color and vigor.

QUARTERLY SCHEDULE.

This enables you to effectively communicate with residents when services will be provided.

ACCOUNTABILITY.

Provides Bloomings' clientele with weekly and quarterly correspondence that correlates with your quarterly schedule, thus providing accountability.

COMPLIMENTARY EDUCATIONAL PROGRAMS.

Bloomings offers complimentary educational programs for homeowners to acclimate them to the Florida growing seasons of plants.

ENVIRONMENTALLY FRIENDLY.

Bloomings' Mulch, Insect & Weed Management, Pruning and Fertilizer programs are all designed to lessen pollution and protect the environment.

UNIFORMED STAFF.

Bloomings' entire staff are provided with uniforms, as well as, distinguished supervisors uniforms.

ENGLISH SPEAKING SUPERVISORS.
